PREVENTION OF INSIDER TRADING

We follow the strict guidelines in case of opening any Corporate Account especially the listed companies where there can be the chances of Insider Trading.

All the details pertaining to the officials/directors/relatives are collected and duly verified before opening the account.

The shareholding pattern of the company is taken along with the details of the shareholders.

The undertaking for the person(s) designated to trade on behalf of the company is taken and orders are placed by the designated officials only.

All the trades are monitored by the higher officials and authenticity of the same is analysed before placing any order.

In case it is observed by Motisons Commodities Private Limited or its Compliance Officer that there has been a violation of these Regulations, SEBI shall be informed by us.
